

# School Based Outpatient Services

## Momentum Services, LLC

**Helping Today... Building Tomorrow**

Momentum Services, LLC is now offering school based outpatient services in the Shippensburg School District. A licensed therapist will be able to provide outpatient services to address your child's behavioral and mental health needs in the school (K-12) during regular school hours.

If you are interested, please feel free to contact your school counselor or our office to complete the referral process and set up an initial appointment.
