

Meet the Teacher

Third Grade Teacher

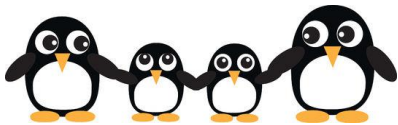

Mrs. Shipp

Welcome 3rd Grader!

I'm so excited for the school year to start and to have you as my student. We're going to have a good time and learn a lot this school year. I can't wait to get to know you better.

Note to Parents

Teaching has always been a passion for me. I have a love for learning and I would hope that your child will also learn to love learning as much as I do. By making my classroom a safe, fun, and structured place for my students, I hope that they will enjoy coming to my classroom and learning something new every day. I know that all children are different and require specific attention and affection for them to flourish. I believe that a successful year starts with an open communication line between parents and teachers. Please feel free to call or email (miranda.shipp@ship.k12.pa.us) me anytime you have any concerns.
