**VISION STATEMENT**  
**Pursuing Excellence**  
**Building Character**  
**Developing Relationships**

**MISSION STATEMENT**

*The Shippensburg Area School District was established to enable children in grades kindergarten through 12 to have access to education in programs designed to prepare them for lifelong learning. The school district is committed to a program of studies with emphasis on academic preparation that will enable students to speak, write, read, and compute at their maximum level of ability. In order to respond to a diverse student population with different styles of learning, the district supports the continued development of faculty, thereby enabling them to incorporate innovative teaching techniques and technology into their content delivery system. The district values, encourages, and welcomes the involvement and support of parents and the community as it seeks to achieve the goals and objectives set forth in this mission statement.*
