

Important Transportation Information

For 2018-2019 School Year

- Boyo Transportation will be taking over the routing responsibilities of all students. Therefore all inquiries concerning pick up/drop off locations, bus stops, and/or routing changes will be handled directly by Boyo Transportation.
- The following is the contact information for Boyo Transportation:
 - Phone Number – 717-287-8007
 - Email – Boyotrans@ship.k12.pa.us
- All students will be assigned to a route and a stop, using the information currently on record with the transportation department. If a change in transportation is needed, **it must be received by Boyo Transportation before July 20, 2018. Transportation will not be guaranteed for the first week of school for changes that take place after July 20th.**
- Boyo Transportation will not change your child's busing information if you have moved but did not already provide a proof of residency to your child's school.
- Use the following link to have many of your transportation questions answered and to find the links you need for transportation forms:
 - <http://www.shipk12.org/transportation/>
- Use the link provided to print the Student Medical Information Form. If necessary, this form should be given to your child's bus driver the first week of school.
 - <http://www.shipk12.org/wp-content/uploads/2013/08/Student-Medical-Information-Form.pdf>
- You will receive a Connect-Ed call providing you with your child's busing information on or before August 3rd.
