SCHOOLS

High School (9-12)

The faculty and staff are committed to providing students the opportunity for academic achievement and study within a rigorous, technology rich curriculum. A wide range of studies and activities are available to complement student interests.

Deborah Luffy, Principal (717) 530-2730

Middle School (6-8)

The learning environment emphasizes instructional and developmental needs of the early adolescent in grade-level teams. Students are encouraged to grow academically in the traditional content areas while exploring the arts and technology.

Bernadette Benbow, Principal (717) 530-2750

Intermediate School (4-5)

Students are instructed in core areas of ELA, Math, Science and Social Studies, as well as specials classes of Art, Music, Physical Education/Health, Library and Technology. Our curriculum focuses on many basics and mechanics of the core subjects and encourages application of facts and problem solving. Students participate in whole group, small group and individual work daily. Our goal is to meet each student at their instructional level and encourage academic growth for all students. We strive to create inclusive, positive and engaging learning activities daily.
