

Shippensburg Area School District

Reopening Framework Summary for 2020-2021

On Wednesday, July 29th, the Shippensburg Area School District approved a framework for the reopening of schools for the 2020-2021 school year with an anticipated start on September 8, 2020. Delayed start will provide staff more time to prepare and receive professional development.

Grades K-3 Options:

Hybrid Model – Half of our students will be assigned to Cohort A or B. Cohort A will attend school in-person on M, Th. Cohort B will attend school in-person on T, F. All students will be required to participate online on days they are not at school and on Wednesdays.

Virtual Model – Students will participate virtually only M-F, synchronous and asynchronous, SASD Teachers, SASD Curriculum, SASD pacing. Seamless transition back to SASD classrooms when you are ready.

CAOLA Model – Students participate virtually only M-F, asynchronous only, IU teachers, curriculum and pacing. Not preferred for students who may transition back to SASD classrooms.

Parents must commit to one of these models (deadline not yet set, but will be soon). Parents will receive a survey link next week to complete and indicate their choice.

Grades 4-12 Options:

Virtual Model – Students will participate virtually only M-F, synchronous and asynchronous, SASD Teachers, SASD Curriculum, SASD pacing. Seamless transition back to SASD classrooms.

CAOLA Model – Students participate virtually only M-F, asynchronous only, IU teachers, curriculum and pacing. Not preferred for students who may transition back to SASD classrooms.

Students with full-time or supplemental service IEP's will also have the option to attend school in person. Parents will be receiving more information about this option from the Special Education Office.

District reopening framework will be reviewed after 30 days by administration and board to determine continuation, modification or if we transition to increased in-person learning and student presence in schools.
