

**Nancy Grayson Elementary School**  
**Building Goals**  
**2020-2021**

**Reading**

- The percent of students will be maintained or increased at each Acadience support level (strategic & core) while the percent of students at the intensive support level will be decreased.
  - MTSS building-level target is 80% at or above level on each assessment
  - District-wide target is 60% of students with a Core Composite score

**Math**

- The percent of students will be maintained or increased at each Acadience support level (strategic & core) while the percent of students at the intensive support level will be decreased.
  - District-wide target is 60% of students with a Core Composite score

**Parent Involvement**

- Nancy Grayson Elementary School will have at least one family engagement event per marking period to provide parents with information on Federal Programs and how they can assist their student(s) in the various academic, behavioral, and social emotional areas.
